BUFFALO, N.Y. (WIVB) - Hundreds of families celebrated the end of summer camp season downtown on Friday.

The Belle Center's summer camp wrapped up another year with the annual Kids Day Fest. The camp gives children a chance to experience learning and cultural activities downtown and in the suburbs. Campers and their families enjoyed a day of food, music, crafts and fun at the Belle Center on Maryland Street.

The Belle Center camp runs every summer. It aims at promoting unity in the Buffalo community.
