

International Day

PHOTOS BY DEREK GEE / BUFFALO NEWS

Native treat: Dirhane Gebryoans, a refugee from Eritrea, puts out food from his native country that he made for Wednesday's International Day event in the Belle Center on the West Side.

All are welcome: Above, Akour Amany draws a flag of her native Sudan. At left, Penny Rappa-Hosken, an English as second language teacher, hangs up pictures of flags of her adult students' native countries.
