To find out what's happening at the Belle Center, take the Memorable Experience Tour.

The one-hour tours, held twice a month at the community center, 104 Maryland St., create awareness about the program structure at the center, where it is now and the vision for the future.

With an emphasis on change through education, programs at the site include school-age child care and an early childhood center.

For more information or to register for the tour, contact Michael Szymanski at 845-0485, Ext. 214, or go to www.thebellecenter.org/take-a-tour.
