BUFFALO, N.Y. (WIVB) - An expanding program could make a big different in Buffalo and Niagara Falls.

On Thursday, Buffalo Mayor Byron Brown and Niagara Falls Mayor Paul Dyster announced the "Game Changers" Camp will now be held at three locations.

The eight-week program will be offered at the Delevan Grider Community Center, the Belle Center, and the Packard Court Community Center.

About 300 local children will sharpen their basketball and life skills.
