## West Side Career Fair

By: YNN Staff

BUFFALO, N.Y. — Job seekers and potential employers got the chance to meet on Buffalo's west side.

The New York State Department of Labor hosted the 9th annual West Side Career Fair at the Belle Center on Maryland Street.

Job seekers lined up with resumes in hand to meet with more than 40 employers from around Western New York.

Organizers say this event is very successful every year.

"It's a great way to do outreach in the neighborhood," said Cesar Cabrera.

The career fair is also held in celebration of Hispanic Heritage Month.
